Join “California Small Business Coalition”

Phase One

Establishing the foundation of future growth. Reaching a critical mass of Fifty Thousand enables CSBC to staff critical positions setting the stage for future growth and influence. The goal is to create a lean machine that can expand the reach of CSBC statewide. Support of “California Small Business Talk Radio” is critical to this movement.

Phase Two

Continuing expansion of radio program into all major markets along with advertising campaign exposing the need for the Coalition. Creating an educational division interfacing with business owners to educate employees on impact of legislation on their lives. Research expansion into member services and create a plan for future implementation. Establish political department researching candidates, issues, and possible support in certain districts.

Member goal within this phase would be Two Hundred and Fifty Thousand members.

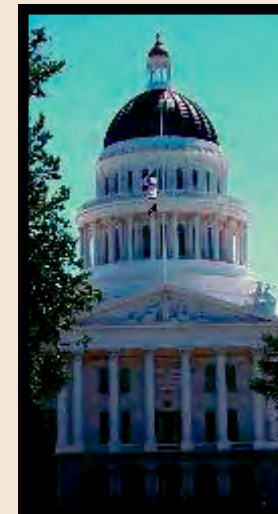

Phase Three

All out effort to reach ONE MILLION member goal. Flex our political and financial strength. Send a message to Sacramento that Small Business will no longer be IGNORED or TAKEN FOR GRANTED! The establishment of retirement accounts, health care, and other member services such as rainy day funds for business owners, lending, networking and much more!
